

3 nights / 4 days Golf Safari
Lake Geneva and French Jura

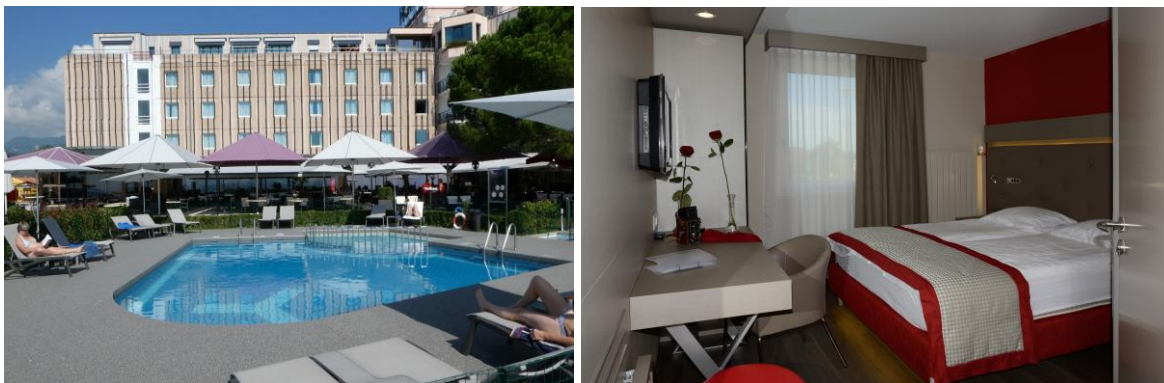

Day 01 – Individual arrival

11.00 h- Arrival at the Maison Blanche golf course, welcome by the representative of Schai Network

Les Sources is a championship course and requires precision, endurance, technique and concentration. This difficult golf course can often put you in funny situations but is often compensated with a beautiful panorama.

Afterwards drive to the Hotel Everness in Chavannes-de-Bogis

Welcome drink and briefing about the reminder of your stay

2-course dinner at the hotel (drinks not included) - option: dinner at a local restaurant

Overnight stay at the Hotel Everness, Chavannes de Bogies

Day 02

18-hole golf game on the RoCHAT golf course in Les Rousses (French JURA). The first 9 holes are relatively short, varied but require precision - especially hole 5 with a dogleg to the right or the par 3 at hole 7 with the tricky green approach. The second round is much longer with some parallel holes but also pleasant to walk over the Moor Fairways.

2-course dinner at the hotel (drinks not included) - option: dinner at a local restaurant

Overnight stay at the Hotel Everness, Chavannes de Bogis

Day 03

Drive to Divonne

18 holes of golf on the venerable golf course of Divonne. A pleasant course to play, but one that requires precision - if you don't want your ball to land under one of the many large trees. The 9th and 18th holes also require a straight play if you don't want your ball to be deviated by a tree and carried away by the stream of the small river.

2-course dinner at the hotel (drinks not included) - option: dinner at a local restaurant

Overnight stay at the Hotel Everness, Chavannes de Bogis

Day 04 - Check-out at Hotel Everness - Drive to Golf Vuissens

This course is set in a beautiful landscape and the clubhouse - a 12th century castle - was opened in early July 2006, completely renovated. The course offers something for all golfers! Enjoy the panorama with the forest, the natural river and the various water holes.

Individual return

This programme was set up for groups of at least 15 persons:
